Show Contact:

Deb Timmons
289-0360
ameskids@mchsi.com

Plans are underway for the 18th annual Gloria Dei Arts & Craft Show and we hope you will be interested in reserving a space.

All spaces will be reserved as registrations are received, so it is to your advantage to send in your registration ASAP.

The Gloria Dei Arts & Craft Show restricts all vendors to sell only handmade arts & craft items. Displays and all of the arts & crafts you are selling must follow these specific guidelines.:

- Hand-made arts & crafts only
- No company processed/packaged foods
- No baked goods or candy as our Church has the bake sale as a fundraiser
- No Halloween witches, ghosts, jack-o-lanterns, mummies, skeletons or vampires

Enclosed is a registration form that includes specifics on space size and cost. Again this year we will be limiting the number of "jewelry" vendors.

We will do all we can to ensure a successful Arts & Craft Show for you by:

- Allowing you to choose the space size best suited for your needs
- Charging no admission fee to customers
- Having a café for vendors & customers
- Displaying outdoor signage advertising the Arts & Craft Show near the Church as the city of Urbandale will allow under new ordinances
- Displaying advertising posters in local Urbandale businesses
- Advertising in local & suburban newspaper and community calendars

We are always looking for new and different art & craft vendors, so please mention our event to other artist/crafters who might be interested in our show.

We look forward to seeing you on October 9th!
